General preparedness information from official sources, not personal, legal, medical or insurance advice. Always follow instructions from your local authorities and emergency services. In an emergency call 999 or 112 (UK) or 911 (US). Checklist built from official-source tables (source hosts shown; full links on the website); costs marked indicative are planning ranges. Items are those common to this country's regional tables; see your regional checklist for local actions.
